

APRIL

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<u>The international border that splits a road into two countries</u>	<u>Would you have joined in the American Revolution?</u>	<u>How did fruit end up at the bottom of your yogurt cup?</u>	<u>Which national park doesn't get any sunlight?</u>	<u>Six of the strangest trees</u>
<u>Is the southern accent really disappearing?</u>	<u>Are there any 'Stalins' still alive?</u>	<u>What's inside a lava lamp?</u>	<u>How did Brazil get so large?</u>	<u>Which animals are the loudest?</u>
<u>Why is the morning light important?</u>	<u>Why are barber poles red & white?</u>	<u>How did movie special effects work before CGI?</u>	<u>Would Paris exist without the Seine River?</u>	<u>Can birds really recognize people?</u>
<u>What were the most popular junk foods of the 20th century?</u>	<u>Why don't all rivers form canyons?</u>	<u>How does sunscreen actually work?</u>	<u>Why does blue in Japan look like green in the US?</u>	<u>She was a late bloomer.</u>
